ODISHA STATE FILM POLICY 2019
Government of Odisha
Industries Department
Resolution No.: 1576/ Bhubaneswar, Odisha
Dated: 2\textsuperscript{nd} March, 2019
The Indian film industry is one of the fastest growing sectors in the country today and has grown from INR 122 billion in 2016 to INR 156 billion in 2017, representing a growth rate of 28%. Over the years, the industry’s revenues have grown significantly and the projected size of the industry is estimated to reach INR 204 billion by 2019. The Indian film industry is one of the largest producers of the cinematographic films in the world with an annual certification of 2,336 films during 2015–16. Odia film industry has played an important role in the history of Indian cinema.

The history of films in Odisha dates back to the production of the first Odia film “Sita Bibaha” in 1936. Over the past 83 years, the industry has come a long way, contributing to economic growth and employment creation. Today, approximately 50 Odia films are being produced annually, and the industry presents enormous potential for further growth.

Odisha intends to be a leader in the development of the sector, by creating a conducive ecosystem for production of films in the State. The development of this sector will not only help in the growth of Odisha’s economy, but also act as an important medium to boost tourism through promotion of State’s rich cultural heritage, history, architecture, tourist destinations and varied ethnicity. The Odisha State Film Policy 2019 aims at facilitating development of the sector through creation of an appropriate framework of policy and infrastructure.
