Clarification/ Corrigendum

Referring to the EOI (Ref. No. SO/IV/2023-24/235/2560), dated 16/11/2023 which was floated inviting sealed Expressions of Interest from interested parties for installing Multi-Service Network Enhancers for Mobile and Telecommunications at O-Hub Campus, the following clarifications against the pre-EOI queries is hereby made for information of potential bidders:

Sl. No.	Queries	Clarifications
1.	As per tender documents there is only network coverage. Kindly confirm coverage area (indoor/outdoor/both).	Startup Odisha intends to provide seamless and uninterrupted network services in both indoor and outdoor environments in O-Hub Campus.
2.	If indoor coverage is required then IBS (in building solution) to be provided. Kindly confirm rent for the IBS or its rent free.	Startup Odisha intends to promote installation of In-building solutions (IBS), where there is a poor connectivity in terms of weak signal strength inside the office. There shall be no fee to be charged for IBS.
3.	For outdoor coverage distributed pole structure to be installed and there will be requirement of cable laying to each pole for connectivity purpose. Need confirmation that the area of cable laying will be free or chargeable.	There shall be no fee to be charged for laying the cables. However, the agency has to take prior permission from the competent authority.
4.	Any other specific requirement.	1. The telecom solutions such as roof top tower or other places (hill top) based on current and future requirement of network coverage to be installed at different parts of the Campus. This is to be decided based on proper survey of the campus. 2. The telecom infrastructure provider shall be bound to share the infrastructure with multiple telecom operators (minimum 03) on non-discriminatory basis. 3. The agency will bear the cost of Electrical connections
